Our Commitment

JC’s Banquet was born out of passion for providing great service and exceptional food. In 2005 it all began with the organization of our very first event, The Francis’ 50th Wedding Anniversary. Since then we have been helping families celebrate all their milestones.

From birthdays to weddings, baby showers, anniversaries and back again we are committed to help you build memories. We take pride in our high level of service as well as our team of chefs preparing fantastic dishes. As long time community favourite you can feel assured that when you reserve with us you will be 100% satisfied.
